At our meeting of June 2 our guest speaker was Zac Hulm (pic right) from not-for-profit organization Harbison Care, well known to many of us: a long established aged care provider in Burradoo and Moss Vale. Zac has worked in hospitality management and in the disability sector. Harbison provides the full range of aged care and is an accredited Registered training organization for aged care staff.

Zac told us Harbison has a program of connection with children and young people and residents have been to visit local school students. As a result of Zac's visit and talk, Bob Barrett offered to donate a baby grand piano to the organization, a wonderful gesture!

Zac told us that all residents and staff at Harbison have been vaccinated against Covid – very reassuring for all!

At last week's Board meeting, Treasurer Steve was able to report that the approximate net outcome of the recent Golf Day was \$12000.00! Considering the pandemic had necessitated twice deferring the day, this is an outstanding result and the Board congratulated all members of the Golf Day Committee for their tireless work, resulting in this substantial donation of funds, this year to local junior sporting activities.

Further information re the donations to come.

*Noel Crellin, Bob Barrett and Lofty York celebrating an impressive total of birthdays!*

Chris Slade and the BBQ team also had a good morning at Coles on their renovations welcome day, resulting in another couple of hundred dollars into the coffers – well done all!
